About Manipal Academy of Higher Education

Manipal Academy of Higher Education (MAHE) is proud to be chosen as an Institute of Eminence and is synonymous with excellence in higher education. It is one among the top 2.7% Universities in the world and top private Indian Universities according to QS ranking. MAHE has off-campus in Mangalore, Bangalore and off-shore campuses in Dubai and Melaka. Every constituent institution of MAHE has world class facilities and pedagogy, which are constantly reviewed and revised to reflect the latest trends in higher education.

About Kasturba Medical College, Mangalore

Kasturba Medical College, Mangalore, established in 1955 has grown in stature to be one of the finest medical colleges in the country. The infrastructural facilities are comparable to international standards. The college has extremely committed, highly qualified and experienced faculty who excel in all facets of professionalism namely, teaching, research and professionalism. KMC Mangalore is awarded with the highest number of ICMR STS awards in the country year after year.

About Forum for Ethics Review Committees in India (FERCI)

FERCI was established in 2002 with Dr. Vasantha Muthuswamy, who retired as Senior Dy Director General of the ICMR, as the founder President. FERCI is a forum which fosters improved implementation of ethics review, facilitates opportunities and acts as a coordinator between various stakeholders towards imparting appropriate protections in Research. FERCI invites ethics committees in India to join hands and work towards improving their structure, functions and capacity for ethical review. FERCI operates in close collaboration with important institutions like the World Health Organization (WHO), Indian Council of Medical Research (ICMR), Central Drugs Standard Control Organization (CDSCO), FERCAP, SIDCER (Strategic Initiative for Development of Committees for Ethics Review) etc.

About The Conference

Theme: Dilemmas Challenging Ethics Committees and their Stakeholders

Programme Contents:

- Two parallel Pre-Conference Workshops on:
 1. Incorporating Ethics in Medical education
 2. Update on ICMR Ethical Guidelines 2017
- Challenges confronting academicians in ethics review procedures
- Overcoming dilemmas faced by the Pharmaceutical Industry in early drug development and clinical trials
- Challenges faced in conducting paediatric clinical trials
- Challenges faced by students in Research Ethics
- Benefit/Risk Assessment in Research
- Research on Data/Registries
- Ethical Challenges in Stem Cell Research
